

Dear Guest,

I would like to thank you for choosing Milos Island for your vacation and our boat for the round trip.

About Milos

Due to the volcanic origin of its ground, Milos presents an impressive coastal morphology and diversity. With more than 75 small and big beaches of crystal, deep blue waters, multi-colored carved rocks and white-yellow coasts, it is certain that you will be impressed. Milos has some very interesting museums and archeological sights which you can visit during your stay. An island witch was inhibited since prehistoric times, the island of "Venus de Milo".

Odysseus A. is the biggest wooden sailing boat in Milos. Overall length of 25meters with the finest iroko and African teak wood. Being built on 1990' from the Lanitis Family (bankers, businessman) in Cyprus as their private Yacht. Back then the name of the boat was Isabela L, which was the daughter of the family. During their ownership this boat played a significant role to the status of the family by hosting diplomats, business men and friends.

Having as a vision to offer high quality leisure services emerged with a vintage stile I purchase it on 2017 rename it Odysseus A. and operate it with my team in Milos Island. Since then we offer the highest quality experience on Milos Island. (www.facebook.com/odysseusacruises), [Trip Advisor - Odysseus A. Yacht Cruises](#)

About the Cruise

Welcome on board! 8.30 you have to be on the ship! We sail on, at 9.00, with Odysseus A. from Adamas the main port of Milos, an ancient port, rebuild by Cretan refugees in 1824. You will find breakfast on board as soon as we leave the port. We travel the cost, passing from the small fishing village Klima to reach Arkoudes, (Bear Rocks), who have formed their shape from the Greek sun and the Aegean Sea. We move on to the Cape of Vani, Kalogries and Agios Ioannis Beach. Approaching the roofless Cave of Sykia and sail further to the south cost to astonishing Kleftiko. Shelter of Pirates! (Kleftiko in Greek means Pirates point). We move east passing from Geronta, Geraka, Paleochori, Thiorixia and further to Poliegos "Blue waters". Prismatic rocks of Glaronisia, and the lunar landscape of Sarakiniko will leave you speechless. From there we take the rout back to Adamas port around 19.30.

During our voyage we will choose five points for swim stops, taking advantage the best weather conditions. In every swim stop you can get your snorkeling equipment and enjoy the crystal clear water!

Lunch around 15.00 and frees watermelon on our way back to Adamas. Soft drinks, beer, orange juice and filter coffee will be free.
